

DATE: Aug 31, 2020

Hello to Stormer Lake Lodge Guests,

We hope everyone is doing well and staying healthy.

Now that reality has finally sunk in and we have had a chance to absorb the realization that our fishing and hunting season was never able to happen, we can look to the future and start to plan for 2021.

We have received so many heartfelt emails and phone calls wishing Linda and I all the best based on our cancelled season that we cannot say THANK YOU enough. We are very grateful for our guests. To be honest though, we were actually more saddened for our guests that they could not make it up to Stormer for their annual fishing trip. We know even more now how important these trips are to families and friends alike. Linda and I have been here at Stormer Lake Lodge for the past couple of months and while we are enjoying our time here trying to improve the lodge as best we can, we sure wish you all were here with us. It is way way way too quiet. Besides, Linda and I are starting to finish each other's sentences so we might have been alone here too long. Lol.

Many of you have contacted us regarding your reservations for 2021. As we stated in our previous letter and in emails, we are pushing all 2020 reservations to the same week and cabin/s in 2021. We have received some intentions to make changes to current reservations in 2021 and we will make sure we can accommodate those changes accordingly based on availability.

That being said, we plan to review all reservations near the end of September and contact all of our guests to confirm their reservations for 2021. Once that is done, we will know what cabins we have available and will re-communicate with current and new guests that have requested changes. We hope to have all reservations locked in by early to mid-October.

EXCITING NEWS: We are offering a 10% discount for our STORMER LAKE LODGE clothing that can be purchased directly from our website. Go to our website homepage at www.stormerlakelodge.com or www.redlakeontariofishing.com and you should see our ONLINE STORE icon. We hope you will take a look and promote Stormer to all of your friends and family. We thank you for all your support

AND FOR ADDITIONAL EXCITING NEWS: We have new STORMER LAKE LODGE engraved beer, cocktail and wine glasses being sold on our website online store. They are drinking glasses with a fishing lure, bullet or shotgun shell embedded in the glass. We think they are very unique and cool glasses and might be perfect as gifts to family and friends (or just keep them for yourselves). Here is the link to our website store. We hope you like them.

Linda and I will be in Canada until around the middle of Sept so it may be best to email as our cellphone reception is not the best here at the lodge. Once we arrive back in the States, our cellphone will be available once again.

Email: stormerlakelodge@gmail.com
Phone: 920-810-2491 Dave Cell

While we are at the lodge, we have two phone numbers you can try:

1-807-788-5288 (Lodge) or 1-807-808-0274 (Our house).

These are satellite phones via our internet. They appear to be slightly better than going through our cell phone connection but they will have a slight delay in the conversation.

We do not carry either of these phones on our person so please leave a message and we will return your call. Please remember that sending an email is best option as we can check those often and return an email.

All the best. Stay happy & healthy

Dave & Linda
