# Every angler is searching for world class fishing... We will prove it at Stormer Lake Lodge

## THE ONLY LODGE LOCATED ON FAMOUS STORMER AND KIRKNESS LAKES

STORMER LAKE LODGE is a premier fishing destination that offers its guests WORLD CLASS TROPHY FISHING and modern first class accommodations in a remote, unspoiled wilderness setting. Our all-inclusive American Plan package includes all meals, boat/motor, gas and all lodge facilities. Built in 1987, the lodge and cabins are designed in a European timber-frame style. Modern cabins are furnished with immaculate care with attention to detail to insure an enjoyable and successful trip.

FISHING on Stormer and Kirkness lakes can be considered some of the best for Walleye and Pike in all of Northwest Ontario. Our motto is "Every angler is searching for the best fishing... We will prove it at Stormer Lake Lodge". The reason we can easily boast this phrase is because of our Catch-and-Release practices. Since 1987, Stormer Lake Lodge has strictly held the policy of releasing all Walleyes over 18" and Pike over 25". The result is a fishery where an average day of catching 3 to 3 1/2 pound Walleyes and Pike 36" to well over 40" is commonplace. We know that once you fish at Stormer Lake Lodge, you will be comparing every other place you fish to ours.

HUNTING at Stormer Lake Lodge will be a high quality hunting experience that will make memories for a lifetime. Our remote location easily translates into reduced hunting pressure, the belief in providing first class service, top notch equipment and fully modern facilities only increases the chances of bagging that world class bear or moose.

MEALS at Stormer Lake Lodge are all meticulously made on site. Meals include full breakfasts and dinners which are served in our beautiful main lodge dining room overlooking Blue Heron Bay. A lavish salad bar, homemade soups, exceptional main courses, homemade breads and desserts will make your stay a memorable experience. Breakfasts include cereals, bacon, ham, sausage, eggs, blueberry flap jacks, French toast, fresh fruit, endless coffee, tea, juice and milk. Dinners include roast beef, chicken, turkey and all the fixings, New York Strip Steak & Shrimp, and more. For your mid-day lunch, Stormer Lake Lodge staff will prepare shore lunch for all guests 3 days a week out on the shoreline of Kirkness Lake. The other days you can either prepare your own shore lunch with our complete shore lunch kit provided for you or you can choose a well prepared sack lunch. It does not get any better than that. After a full day of catching trophy fish, relax in the main lodge watching your favorite sports games on our satellite TV in our cozy Moose Head Lounge. Play a game of pool, or download and send your fish pictures to your friends with free internet service.

### THE CABINS

We can accommodate up to 28 guests per week. All of our lakeside cabins are luxuriously furnished including field stone fireplaces, refrigerators, their own water heaters and 3 piece bathrooms. All have living rooms and separate bedrooms. All cabins come equipped with bed linens, blankets and towels.

Four cabins sleep up to 4 guests, one cabin sleeps up to 6 guests, and there are three townhouse style cabins that sleep 2 guests each. Enjoy the view of Blue Heron Bay on Stormer Lake from your large cabin deck.

### OUR SERVICES

Stormer Lake Lodge offers our guests the all-inclusive American Plan which includes all meals. Included in your plan are 17.5ft Yamaha G3 and Lund Outfitter Boats powered by 50hp Yamaha and Honda electric start/electric tilt & trim motors and ALL GAS for the week. These boats are the best in the industry and are fully equipped with electric bow mounted trolling motors, flat decks, padded pedestal seats, aerated live wells, Graph depth finders, rod and tackle storage, anchors, and landing nets. Other services include FREE fish cleaning, wrapping & freezing, free boat launch, boat docking, battery charging, ice, live bait on-site, free lake maps, free internet WI-FI, tackle shop on-site, airport shuttle service (fee may apply) and all lodge facilities. If you are interested in taking out a fishing guide, our guides

have over 30 years experience each. They will teach you technique, location, boat control and maybe tell a few stories of their heritage and the history of the surrounding lands. We know they are the best in Northwest Ontario. Sorry, but pets are not allowed.

### FISH SPECIES

Stormer and Kirkness Lakes include Walleye, Northern Pike, Smallmouth Bass, Perch and Whitefish. When you first arrive at the lodge, you will be greeted by Dave & Linda and shown your private cabin. Once settled, Dave will hold an orientation that includes contour depth maps of both lakes and a detailed description of how to catch all of our fish species. You will learn proper depth, lures, rigging and boat control methods. In addition, prior to your arrival we will be sending you a detailed write-up of what you should bring for your trip.

### THE OWNERS

We are Dave & Linda Becker owners of Stormer Lake Lodge. This will be our 20th year in the Canadian fishing and hunting lodge industry and sixth year operating Stormer Lake Lodge. We are totally committed to making your fishing and hunting vacation a first class experience, one you will remember for years to come. We know that customer service is one of the most important aspects of owning a lodge and it is our top priority. Our staff will see to your every need and insure that all details for your vacation are taken care of. Let us prove to you that Stormer Lake Lodge is your world class fishing and hunting destination.
